

Notice: Parking and Snow Removal

Residents and Contractors are reminded that Section 170 (12) of the Highway Traffic Act prohibits the parking or standing of vehicles on any road or street, when it will interfere with winter operations.

Citizens are also reminded that Section 181 of the Highway Traffic Act prohibits any person from depositing snow or ice on a public roadway.

This would include the placing of snow on roads to accommodate snowmobiles or skiing activities.

Please assist the Public Works Department with Winter Maintenance and do not park or stop any vehicle on the road between November 1st to April 15th.

Vehicles found to be interfering with winter maintenance may be removed (towed) at the owner's expense.
